Dear Sir,

South Kolkata TOREE Social and Cultural Welfare Society sincerely appreciate your benevolence and generosity.

With your support we could celebrate 'Raksha Bandhan' festival in Kolkata with pedestrians and commuters in general, to promote harmony and the spirit of common brotherhood amongst the people. With your help, we could gift a small tree plant to everyone to spread awareness on healthy environment.

I express my sincere gratitude to you and your team for helping us to create a positive impact on the society.

With warm regards

Yours truly,

Madhabendra Mitra

Dear Sir,

Sub: 'Holi' celebration with pavement dwelling children in Kolkata

At the outset, we thank you once again for the support you extended for donating new garments to children of Sunderbans, West Bengal, India.

We are pleased to inform you that as in the previous years, this year also our organisation will celebrate the auspicious Holi festival with some homeless children of Kolkata on 25th March.

One of our friend gives tuition to about thirty-five pavement dwelling children of Dum Dum area in Kolkata. To complement his act of charity, we will make this Holi more colourful and special for the children, with gift packets of colours, toys and sweets. We also plan to have fun with them with songs and dance.

We hope you will support the cause. Estimated expenses for the program is around INR10,500/-. Any amount of support from you will be a blessing to the people we serve.

We remain committed to our vision to contribute towards development of the marginalised section of the society.

With warm regards

Yours truly,

Dear Sir,

Sub : Purified drinking water distribution camp for devotees

We thank you once again for the continuous encouragement and financial support you extend for community services undertaken by us in India.

We are pleased to inform you that as in the past, this year also our organisation will celebrate the auspicious Bengali New Year Day (Pahela Boisakh) on 14th April 2024 in our own way.

Pujas and rituals are held all over the state at temples to celebrate the beginning of a new year. We will organize drinking water distribution camp for all devotees at Kali Temple (Lake Kalibari) in Kolkata. As we are already into the hot summer days, we will start early morning and serve purified drinking water till noon. We expect to serve more than thousand people.

We hope you will support the cause. Estimated expenses for the program is around INR 7,000/- to 8,000/- depending on number of devotees. Any amount of support from you will be of great help.

We remain committed to our vision to work for the society.

Dear Sir,

Empowerment of disadvantaged children and to bring them into the fold of mainstream society is one of our prime focus areas. Landmark days in the calendar are celebrated with especially designed events to encourage them to participate and showcase their talents in performing arts.

This year poet Rabindranath Tagore's 163rd birthday will be celebrated on 10th May 2024 with songs, recitation, dance and drama. Like previous years, differently abled children, autistic and visually impaired students will perform and present the entire program in front of their parents, teachers and other respected guests. Total participants will be twenty-eight to thirty students.

The event involves quite a big amount of money including gifts, mementoes and refreshment jackets for all participants and teachers, auditorium and sound system hiring, musician hiring, felicitation and other expenses. We request your kind assistance. Any amount of support will be of great help.

On behalf of TOREE, I express my sincere gratitude to you and your team for the continuous support and encouragement we get for doing social services in India.

With warm regards
Yours truly,

Madhubendra Mitra

Dear sir,

Sub: Request for Donation: Supporting Grade 9 Girls' Education

We are reaching out to request your support in providing educational resources for underprivileged grade 9 girl students.

Unfortunately, government schools do not provide textbooks and notebooks for these students, and many parents cannot afford to purchase them, which acts as a significant barrier to their education.

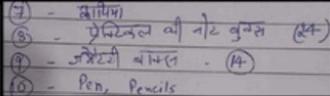

This lack of resources discourages parents from sending their daughters to school, hindering their academic progress and future opportunities. To address this challenge, we are launching a campaign to donate grade 9 books and notebooks to these deserving girl students, enabling them to continue their studies and pursue their educational aspirations.

We aim to bridge this gap by donating grade 9 books and notebooks to these girls. Your contribution will directly empower them to pursue their studies.

We sincerely appreciate your consideration and support for this important cause.

Thank you for your time and generosity.

Dear Amit,

Sub: Request for donation: Leaking Roof Sheets Replacement for Paathshala.

I hope this letter finds you in good health and high spirits

I am writing to bring to your attention a pressing issue at our educational center in JJ Bandhu Camp Paathshala at Vasant Kunj New Delhi. Due to the recent rains, the roof sheets of our classroom have started leaking, creating an unsuitable and challenging environment for our underprivileged children to study.

In light of this, we are seeking your generous support to replace the damaged roof sheets. Your donation will help us provide a safe and conducive learning environment for these children, ensuring their education is not disrupted.

We would be immensely grateful for any assistance you can provide towards this urgent need.

Thank you for your consideration and support.

Warm regards,

Dear Amit,

We highly appreciate the help rendered to us by Canada Donors from the last couple of years. We would like to ask you for a collaboration, this year too!

This Republic Day, we are planning to serve 1000+ underprivileged families at Shantiniketan, West Bengal.

How can you help this nationwide effort?

Join us as an official partner and provide dry rations (Rice, Pulses, Flattened Rice, Soya Bean) at scale which our volunteers can distribute to identified rural communities which are in most need. As always, we shall not be collecting any funds.

We have extended similar campaigns in the past - videos, photos and news features of which could be spotted at our Social Media handles (Robin Hood Army Kolkata Facebook Page)

We believe the biggest act of patriotism is serving our countrymen in need - if you find this valuable, we'd like to serve together.

We look forward to meeting/ a call to discuss next steps.

Jai Hind!

Dear Amit,

Sub: Request for donation- Raw Material for Painting Workshop for 3 Days

I hope this letter finds you well. I am reaching out on behalf of the Will to Win Foundation regarding the upcoming painting workshop organized for 50 village ladies, which Pidlite Company is generously providing free training for over the course of three days.

We deeply appreciate your commitment to empowering these women through skill-building opportunities. In order to ensure the success of this valuable workshop, we would like to request your support in covering the raw material costs required for the sessions. The materials needed include paints, brushes, canvases, and other essential supplies, which are crucial for the training.

This contribution will directly facilitate the workshop, enabling the participants to fully engage in the training and benefit from the experience.

Your support in this matter will not only help in the successful execution of the workshop but will also significantly contribute to the personal and professional growth of the participants. We believe that with the right materials, these women will be able to maximize their learning experience and apply their skills effectively.

We look forward to your positive response and are happy to provide any further details or discuss this request in more depth if needed. Thank you for considering this request, and for your continued support of initiatives that uplift and empower communities.

Dear Amit,

We highly appreciate the help rendered to us by Canaxis Donate from the last couple of years. We would like to ask you for a collaboration again!

Over 6 Lakh families have been affected by sudden flood at Khanakul, West Bengal. The state authorities have asked us to render our help to these families as they lost their home.

How can you help this nationwide effort:

Join us as an official partner and provide dry rations. One kit costs Rs 250 and consists of 2 Kg Rice, 1 kg Dal, 1 kg Sattu, 500 gms flattened rice. As always, we shall not be collecting any funds.

We have executed similar campaigns in the past - videos, photos and news features of which could be spotted at our Social Media Handles (Robin Hood Army Kolkata Facebook Page)

We believe the biggest act of patriotism is serving our countrymen/women in need - if you find this relatable, we'd love serve together.

We look forward to meeting/ a call to discuss next steps.

STUDENT SCHOLARSHIP

28th October 2024

Mr Amit Garg
CanadaDonate.ca

Dear Sir,

Sub: Scholarship to meritorious students

At the outset we thank you once again for the continuous encouragement and financial support you extend towards development of the marginalized section of the society in India.

To encourage meritorious students belonging to disadvantaged sections, we introduced Shiksha Scholarship in 2019 for higher Secondary level students of rural Bengal. Every year, four selected students are awarded scholarship of INR24,000/- each. We remain in touch with them all through and mentor them till the final examination. Some of these students are now doing well in their higher studies.

A recipient of 2022-2024 batch is now pursuing B.Tech from Future Institute of Technology, Kolkata in Computer Science and Engineering (with Artificial Intelligence and Machine Learning). He is a very promising student from thoughtfully selected rural area with family income of meagre INR8,000/- per month and has requested us for help to meet the expenses for studies.

Course fees structure - It's a four year course consisting of eight semesters.

- Admission fees of INR60,000/- already paid by the student
 - Fees per semester INR23,000/- (at subsidized rate under government's Tuition Fees Waiver Scheme) 17 semester fees already paid by the student
- He has made above payments and will pay for next seven semesters with the help of Student Credit Card issued by the Government. He has to refund the entire amount to government once he gets a job.

Other expenses -
 • Posting guest charges (with food) in Kolkata - INR7,000/- per month
 • Books and stationeries - INR1,000/- per month (approx)

We have decided to bear the paying guest charges, as far as possible, so that he can continue his studies. Request you to kindly help us in our effort.

On behalf of TOREE, I thank you for being with us and support us to fulfil our mission.

With warm regards
Yours truly,

Dear Sir,

Sub: Holi celebration with children in South 24 Pargannas district, West Bengal

At the outset, we thank you once again for the support you have extended for donating new garments to children on Swami Vivekananda's Birthday.

We wish to inform you that like in the past, this year also we will celebrate the auspicious festival of Holi with children living in distant villages of West Bengal.

On 12th March 25, we will visit a skill development-cum-training centre for children in a village in Gaurdaha, South 24 Pargannas district, West Bengal. The Centre is run by a few senior citizens, who give free tuition and training to 46 local children of different age groups. The Centre is known to us and to complement their act of charity, we will present gift packets of colours, toys and refreshments to the children to make their Holi more colourful. Its also an opportunity for the children to showcase their talents and they will present an event with songs and dances.

Hope you will support the cause and help us to make it successful. Estimated expenses for the program is around INR11,500/- . The support from you will be a blessing to the children.

We remain committed to our vision to contribute towards development of the marginalised section of the society.

Dear Sir,

Sub: Purified drinking water distribution camp for devotees

We thank you once again for the continuous encouragement and financial support you extend for community services undertaken by us in India.

We are pleased to inform you that as in the past, this year also our organisation will celebrate the auspicious Bengali New Year Day (Pahela Boisakh) on 15th April 2025 in our own way.

Pujas and rituals are held at temples all over the state to celebrate the beginning of a new year. We will organize purified drinking water distribution camp for all devotees at Kali Temple (Lake Kaliban) in Kolkata. As we are already into the hot summer days, we will start the camp early morning and serve drinking water till noon.

With your help, last year we served more than thirteen hundred people and this year we expect the figure to go up.

We hope you will support the cause. Estimated expense is INR 8,000/- to 9,000/- depending on number of devotees. Your support will be of great help.

We remain committed to our vision to work for the society.

Dear Sir,

Empowerment of disadvantaged children and to bring them into the fold of mainstream society is one of our prime focus areas. Landmark days in the calendar are celebrated with especially designed events to encourage them to participate and showcase their talents in performing arts.

This year poet Rabindranath Tagore's 164th Birthday will be celebrated on 14th May 2025 with songs, recitation, dance and drama. As a part of the program, differently able students will perform in front of their parents, teachers and other respected guests.

The event involves a total expenditure of around INR30,000/- including auditorium and sound system hiring, musician hiring, cost of gifts, mementoes and refreshment packets for all participants and teachers, felicitation and other expenses. We have arranged funds for the major portion and request you to kindly support us for the cost of gifts, mementoes and refreshment packets. The support will be of great help.

On behalf of TOREE, I express my sincere gratitude to you and your team for the continuous support and encouragement we get for doing social services in India.

Subject: Request for Donation of Textbook Sets for Underprivileged Students (5 students – 9th grade, 2 Students 10th grade)

Respected Amit Ji,

I hope this letter finds you in good health and high spirits. I am writing on behalf of WilltoWin Foundation, a dedicated initiative committed to providing quality education to underprivileged students in our community.

We are currently supporting a group of students from economically weaker sections who are preparing for their 9th and 10th-grade examinations. To aid their academic journey, we aim to provide each student with a complete set of textbooks and supplementary help books. The estimated cost per student is ₹2,000, covering essential subjects and study materials.

In this regard, we humbly request your support in donating seven sets of these educational materials. Your generous contribution will directly impact these students' learning experiences, enabling them to pursue their studies without financial hindrance.

For your reference, here are some of the textbooks and help books we intend to provide:

- NCERT Class 9 Textbooks Set: Available at ₹704 on Flipkart
- NCERT Class 10 Textbooks Set: Available at ₹805 on Amazon.in

Dear Sir,

Every year we celebrate our traditional festival 'Raksha Bandhan'. TOREE's kiosk is set up at a prime location of Kolkata to celebrate the festival with pedestrians and commuters in general, to promote harmony and the spirit of common brotherhood amongst all the people.

We believe that 'tree is our best friend'. To spread the awareness, a small plant is gifted to everyone along with the 'rakhi'. This year Raksha Bandhan will be celebrated on 9th August 2025, in front of Lake Mall entrance in South Kolkata.

The event involves a total expenditure of around INR16,000/- being the cost of 150 plants @ 80/- and 200 rakhi @ 16/-. We request you to kindly provide financial support to make the event successful.

On behalf of TOREE, I express my sincere gratitude to you and your team for the continuous support and encouragement we get from you.

With warm regards

Dear Sir,

At the outset, we thank you once again for your generous and continuous support for betterment of the underprivileged section of the society in India.

This year as a part of Independence Day celebration, our TOREE team will visit the children diagnosed with childhood cancer admitted in Seth Sukhlal Karnani Memorial Hospital, Kolkata, an elite national research institute, on 14th August 2025. These children are of the age group 02 – 12 years and belong to the underprivileged section of the society. We will provide them with essential items of daily use (food items not allowed), and toys. Though there are a few hundreds of children, we will cater to needs of 25(twenty-five) children.

The estimated expenditure for this project is around INR12,500/-. We request you to kindly extend your helping hand to these children. We pray to Almighty for their speedy recovery.

On behalf of TOREE, I express my sincere gratitude to you and your team for the encouragement and help we get from you.

TOREE

Celebrating 10 years of journey to a better tomorrow

27th October 2025

Mr Amit Garg
CanadaDonate.ca

Dear Sir,

'Awareness on Environment & Cyber Security' – A Quiz competition

We thank you once again for the continuous encouragement and financial support you extend for community services undertaken by us in India.

Every year we celebrate the Foundation Day of our organisation with a special program. A Quiz Competition is held on a specially chosen subject of social importance with an objective to create awareness amongst the members of the society. We get good and enthusiastic response from our friends, relatives and well-wishers and it has turned out to be a very successful event.

This year the subject is 'Awareness on environment & Cyber Security'. 32 teams have already confirmed their participation. The program will be held on 1st November '25 at Sarat Sadan, Kolkata

The event involves a total expenditure of around INR23,000/- including auditorium booking, sound system hire, audio-visual arrangements, prizes, refreshment packet for the participants etc. May I request you to kindly provide financial support of around INR 9,000/- being the cost of prizes and refreshment packets for the participants and support team.

On behalf of TOREE, I thank you for being with us and help us to fulfil our mission.

With warm regards

Yours truly,

Madhabendra Mitra

TOREE

Celebrating 10 years of journey to a better tomorrow

28th December 2025

Mr Amit Garg
CanadaDonate.ca

Dear Sir,

Subject: Invitation to Support National Youth Day Sports Meet

As we approach the final quarter of the 2025-26 fiscal year, TOREE is preparing a series of impactful community initiatives aimed at supporting underprivileged populations in the 24 Pgs(S) district. Our roadmap for the upcoming quarter focuses on youth development, health, and social inclusion.

Our immediate initiative is celebration of National Youth Day on 12th January 2026

- To commemorate the birth anniversary of Swami Vivekananda on 12th January, we are organizing a sports meet for children and local youths in Gaurdaha, South 24 Parganas, West Bengal

Expected number of participants – 70 to 80 students (both boys and girls)

Estimated budget for the event – INR18,000/- to INR20,000/- covering cost of equipments, prizes and refreshment

We request you for financial support of INR12,000/- being cost of prizes. Your contribution will ensure successful implementation of the event and will directly impact the growth and development of students in one of West Bengal's most vulnerable geographical region.

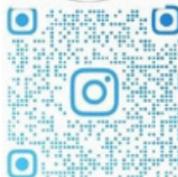

Thank you for your commitment to community welfare.

With warm regards
Yours truly,
