Transformation through Love and Service

29 April, 2024
Mr. Amit Garg
Canadadonate, CA

Dear sir,

Sub: Request for Donation: Help Us Treat Underprivileged Students with Ice Cream and Pizza!

We are reaching out to request your support for a special treat for the underprivileged students of Will to Win Pathshala. We're organizing a movie day on May 4th, and we aim to provide ice cream and pizza for the children to enjoy. It'll be their first time experiencing these treats during a movie, making it an extra special occasion.

Your donation will enable us to provide these students with a memorable and heartwarming moment, creating smiles and cherished memories that will last a lifetime.

Thank you for considering our request. Your generosity will make a difference in the lives of these deserving children.

Warm regards,

14th March 2024

Mr Amit Garg

Dear Sir,

Sub : 'Holi' celebration with pavement dwelling children in Kolkata

At the outset, we thank you once again for the support you extended for donating new garments to children of Sunderbans, West Bengal, India.

We are pleased to inform you that as in the previous years, this year also our organisation will celebrate the auspicious Holi festival with some homeless children of Kolkata on 25th March.

One of our friend gives tuition to about thirty-five pavement dwelling children of Dum Dum area in Kolkata. To complement his act of charity, we will make this Holi more colourful and special for the children, with gift packets of colours, toys and sweets. We also plan to have fun with them with songs and dance.

We hope you will support the cause. Estimated expenses for the program is around INR10,500/-. Any amount of support from you will be a blessing to the people we serve.

We remain committed to our vision to contribute towards development of the marginalised section of the society.

With warm regards

Yours truly,

Dear sir,

Sub: Request for Donation: Supporting Grade 9 Girls' Education

We are reaching out to request your support in providing educational resources for underprivileged grade 9 girl students.

Unfortunately, government schools do not provide textbooks and notebooks for these students, and many parents cannot afford to purchase them, which acts as a significant barrier to their education.

This lack of resources discourages parents from sending their daughters to school, hindering their academic progress and future opportunities. To address this challenge, we are launching a campaign to donate grade 9 books and notebooks to these deserving girl students, enabling them to continue their studies and pursue their educational aspirations.

We aim to bridge this gap by donating grade 9 books and notebooks to these girls. Your contribution will directly empower them to pursue their studies.

We sincerely appreciate your consideration and support for this important cause.

Thank you for your time and generosity.

Sincerely,
Jolly Tuli

Dear Sir,

Empowerment of disadvantaged children and to bring them into the fold of mainstream society is one of our prime focus area. Landmark days in the calendar are celebrated with especially designed events to encourage them to participate and showcase their talents in performing arts.

This year poet Rabindranath Tagore's 163th birthday will be celebrated on 10th May 2024 with songs, recitation, dance and drama. Like previous years, differently abled children, autistic and visually impaired students will perform and present the entire program in front of their parents, teachers and other respected guests. Total participants will be twenty-eight to thirty students.

The event involves quite a big amount of money including gifts, mementoes and refreshment packets for all participants and teachers, auditorium and sound system hiring, musician hiring, felicitation and other expenses. We request your kind assistance. Any amount of support will be of great help.

On behalf of TOREE, I express my sincere gratitude to you and your team for the continuous support and encouragement we get for doing social services in India.

With warm regards

As we are already into the hot summer days, we will start early morning and serve purified drinking water till noon. We expect to serve more than thousand people.
