Dear sir,

**Sub: Request for Donation: Supporting Grade 9 Girls' Education**

We are reaching out to request your support in providing educational resources for underprivileged grade 9 girl students.

Unfortunately, government schools do not provide textbooks and notebooks for these students, and many parents cannot afford to purchase them, which acts as a significant barrier to their education.

This lack of resources discourages parents from sending their daughters to school, hindering their academic progress and future opportunities. To address this challenge, we are launching a campaign to donate grade 9 books and notebooks to these deserving girl students, enabling them to continue their studies and pursue their educational aspirations.

We aim to bridge this gap by donating grade 9 books and notebooks to these girls. Your contribution will directly empower them to pursue their studies.

We sincerely appreciate your consideration and support for this important cause.

Thank you for your time and generosity.

Sincerely,

Dear Amit,

Sub: Request for donation: Leaking Roof Sheets Replacement for Paathshala

I hope this letter finds you in good health and high spirits

I am writing to bring to your attention a pressing issue at our educational center in JJ Bandhu Camp Paathshala at Vasant Kunj New Delhi. Due to the recent rains, the roof sheets of our classroom have started leaking, creating an unsuitable and challenging environment for our underprivileged children to study.

In light of this, we are seeking your generous support to replace the damaged roof sheets. Your donation will help us provide a safe and conducive learning environment for these children, ensuring their education is not disrupted.

We would be immensely grateful for any assistance you can provide towards this urgent need.

Thank you for your consideration and support.

Dear Amit,

Sub: Request for donation: Raw Material for Painting Workshop for 3 Days

I hope this letter finds you well. I am reaching out on behalf of the Will to Win Foundation regarding the upcoming painting workshop organized for 50 village ladies, which Pidilite Company is generously providing free training for over the course of three days.

We deeply appreciate your commitment to empowering these women through skill-building opportunities. In order to ensure the success of this valuable workshop, we would like to request your support in covering the raw material costs required for the sessions. The materials needed include paints, brushes, canvases, and other essential supplies, which are crucial for the training.

This contribution will directly facilitate the workshop, enabling the participants to fully engage in the training and benefit from the experience.

Your support in this matter will not only help in the successful execution of the workshop but will also significantly contribute to the personal and professional growth of the participants. We believe that with the right materials, these women will be able to maximize their learning experience and apply their skills effectively.

We look forward to your positive response and are happy to provide any further details or discuss this request in more depth if needed. Thank you for considering this request, and for your continued support of initiatives that uplift and empower communities.

Warm regards,

Jolly Tuli

Dear Sir,

**'Awareness on environment' – A Quiz competition**

We thank you once again for the continuous encouragement and financial support you extend for community services undertaken by us in India.

Every year we celebrate the Foundation Day of our organisation on 19<sup>th</sup> September. A Quiz Competition is held on a specially chosen subject of social importance with an objective to create awareness amongst the members of the society. We get good and enthusiastic response from our friends, relatives and well-wishers and it has turned out to be a very successful event.

This year the subject is 'Awareness on environment'. The program will be held on 21<sup>st</sup> September '24 at Sarat Bhawan, Kolkata

The event involves a total expenditure of around INR18,000/- including auditorium booking, sound system hire, audio-visual arrangements, prizes, refreshment packet for the participants etc. May I request you to kindly provide financial support of around INR 7,500/- being the cost of prizes and refreshment packets for the participants and support team.

On behalf of TOREE, I thank you for being with us and help us to fulfil our mission.

Dear Sir,

Sub: Scholarship to meritorious students

At the outset we thank you once again for the continuous encouragement and financial support you extend towards development of the marginalised section of the society in India.

To encourage meritorious students belonging to disadvantaged sections, we introduced 'Bidyayan Scholarship' in 2019 for Higher Secondary level students of rural Bengal. Every year, four selected students are awarded scholarship of INR24,000/- each. We remain in touch with them all through and mentor them till the final examination. Some of these students are now doing well in their higher studies.

A recipient of 2022-2024 batch is now pursuing B.Tech from Future Institute of Technology, Kolkata in Computer Science and Engineering (with Artificial Intelligence and Machine Learning). He is a very promising student from Hooghly district rural area with family income of meagre INR8,000/- per month and has requested us for help to meet the expenses for studies.

Course fees structure - It's a four year course consisting of eight semesters.

- Admission fees of INR50,000/- already paid by the student
- Fees per semester INR25,000/- (at subsidised rate under government's Tuition Fees Waiver Scheme) 1<sup>st</sup> semester fees already paid by the student

He has made above payments and will pay for rest seven semesters with the help of Student Credit Card issued by the Government. He has to refund the entire amount to government once he gets a job.

Other expenses -

Paying guest charges (with food) in Kolkata - INR7,000/- per month  
Books and stationeries - INR1,000/- per month (approx)

We have decided to bear the paying guest charges, as far as possible, so that he can continue his studies. Request you to kindly help us in our effort.

On behalf of TOREE, I thank you for being with us and support us to fulfil our mission.

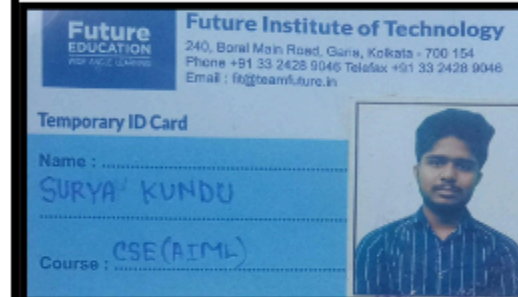

With warm regards

Yours truly,

Mr Amit Garg

Dear Sir,

**Sub : 'Holi' celebration with pavement dwelling children in Kolkata**

At the outset, we thank you once again for the support you extended for donating new garments to children of Sunderbans, West Bengal, India.

We are pleased to inform you that as in the previous years, this year also our organisation will celebrate the auspicious Holi festival with some homeless children of Kolkata on 25<sup>th</sup> March.

One of our friend gives tuition to about thirty-five pavement dwelling children of Dum Dum area in Kolkata. To complement his act of charity, we will make this Holi more colourful and special for the children, with gift packets of colours, toys and sweets. We also plan to have fun with them with songs and dance.

We hope you will support the cause. Estimated expenses for the program is around INR10,500/-. Any amount of support from you will be a blessing to the people we serve.

We remain committed to our vision to contribute towards development of the marginalised section of the society.

With warm regards

Yours truly,
